ALWAYS READY

MORE THAN ATTACHMENTS. A PARTNER WHEN IT MATTERS.

Storm recovery takes more than equipment. It takes reliable support, fast communication and a dealer who can help customers get back to work.

Blue Diamond gives dealers the products, resources and support they need to respond when demand spikes.

BD ASSIST

Through BD Assist, Blue Diamond provides dedicated equipment to support recovery efforts following hurricanes, floods, tornadoes and other natural disasters.

BE READY FOR THE CALL

Storm cleanup creates demand for equipment that can clear debris, remove damaged trees and clean up job sites. Having the right attachments in stock means you can help customers get to work when they need them most.
