ANGLE BROOM
HEAVY DUTY SERIES 2

The **Blue Diamond® Series 2 Heavy Duty Rotating Angle Broom** is built for powerful sweeping performance in the toughest conditions. Designed for skid steers, mini skid steers, and tractor loaders, this broom makes quick work of dirt, snow, gravel, and debris on construction sites, driveways, and parking lots.

Available with manual or hydraulic angle options, the broom's hydraulic version includes an easy-to-use in-cab control for smooth angle adjustments while operating. Choose between poly or poly-steel bristles for maximum durability and sweeping efficiency. When not in use, retractable support legs protect the broom and maintain bristle shape for longer life. Built for heavy-duty cleanup and year-round use, this broom delivers performance, reliability, and control you can count on.
