

BALE SQUEEZE HYDRAULIC ROUND

The Blue Diamond® Bale Squeeze is an excellent alternative to a bale spear, especially when using wrapped bales. This versatile attachment can pick up bales whether they are sitting flat or are on their side.

FEATURES INCLUDE

- Strong tubular design, handles round bales
- 1-year warranty
- Flat-face couplers
- Use on skid steers or tractors with universal mount
- Opens to 72" for handling up to 60" bales
- Equalizer bar standard

PART NUMBER	MODEL	WEIGHT
111105	Bale Squeeze 2,000 Capacity	400 lbs
211110	Optional Bolt-On Grippers*	60 lbs

Optional grippers help when handling wet or plastic wrapped bales.
