

TREE BOOM 5,000 LBS. HEAVY DUTY SERIES 2

The Blue Diamond® Heavy Duty Series 2 Tree Boom is great for any lifting applications where straps or chains are used. With the robust 4" square main boom, this tree boom is rated up to 5,000 lbs. The 2 tie-off points allow you to secure your load with the main hook and stabilize it with the additional hook point. Helpful safety steps make it easy to get in and out of your machine.

FEATURES:

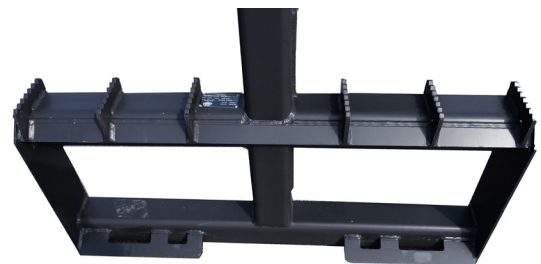

- Adds 56" of Reach
- 75" Overall Length
- 1 Additional Chain Hook Point Besides Main Hole
- Safety Steps
- Mount Gussets for Strength
- 4" Square x 3/8" Thick Main Boom
- 1" Hole for Chain or Clevis Hook
