

# ROOT GRAPPLE SEVERE DUTY

This Blue Diamond® Severe Duty Root Grapple has a number of improved features that take it a step above the extreme design. An enclosed back, heavier top clamps, 1-piece tines, and hose routing are all improvements to reinforce areas that are prone to damage from heavy use. In addition, extra long tubing in the top clamp prevents twisting.

## FEATURES INCLUDE

- 1/2" thick tines
- Closed-in quick-attach area
- Reinforced top clamps
- Hoses exit left cylinder tower to prevent pinching
