

# BRUSH CUTTER

## EXTREME DUTY CLOSED/OPEN FRONT

The Blue Diamond® Extreme Duty Closed and Open Front Brush Cutters are aggressive - even the standard-flow models outperform most high-flow cutters. The durable push bar keeps trees off the deck. The very heavy duty direct-drive system makes this commercial-grade cutter extremely reliable.

OPEN-FRONT

CLOSED-FRONT

### 60" STANDARD FLOW:

- 3 double-sided blades
- 3/4" thick blade carrier
- 4000 Series geroler motor
