

AUGER DRIVE

EXTREME DUTY SERIES 2 - MODEL EX20

Blue Diamond® Extreme Duty Series 2 Auger Drive offers the ultimate in performance, quality, and cost effectiveness. Designed with high-grade materials and innovation, this design allows the gearbox to go down the hole, maximizing drilling depth while eliminating downtime. These drives are perfect for drilling and augering in most ground conditions.

FEATURES INCLUDE

- Compact high torque manufactured gearbox
- 2-piece shaft design ensures maximum side load ratings
- 4" square shaft comes standard
- 5-year gear box warranty, 3-year motor warranty and lifetime warranty on shaft pull-out

MODEL	EX20
MAX TORQUE FT-LBS @ 3,500 PSI	19,488
RECOMMENDED FLOW (GPM)	26-60
MOTOR TYPE	Eaton
MAX PRESSURE — DO NOT EXCEED	3,500 psi @ 33 gpm
MAX FLOW — DO NOT EXCEED	61 gpm @ 1,800 psi
MAX HP	67
PRESSURE RELIEF VALVE	Included
STANDARD OUTPUT SHAFT	4" Square

OUTPUT SPEED		OUTPUT TORQUE	
GPM	RPM	PSI	FT-LBS
26	14	1,500	8,352
30	17	1,700	9,466
34	19	1,900	10,579
38	21	2,100	11,693
42	23	2,300	12,807
46	25	2,500	13,920
50	28	2,700	15,034
54	30	2,900	16,147
58	32	3,200	17,261
60	33	3,300	18,375
-	-	3,500	19,488
