

# AUGER DRIVE

## EXTREME DUTY SERIES 2 - MODEL EX25

Blue Diamond® Extreme Duty Series 2 Auger Drive offers the ultimate in performance, quality, and cost effectiveness. Designed with high-grade materials and innovation, this design allows the gearbox to go down the hole, maximizing drilling depth while eliminating downtime. These drives are perfect for drilling and augering in most ground conditions.

### FEATURES INCLUDE

- Compact high torque manufactured gearbox
- 2-piece shaft design ensures maximum side load ratings
- 4" hex shaft comes standard
- 5-year gear box warranty, 3-year motor warranty and lifetime warranty on shaft pull-out

MODEL	EX25
MAX TORQUE FT-LBS @ 3,500 PSI	24,514
RECOMMENDED FLOW (GPM)	26-60
MOTOR TYPE	Eaton
MAX PRESSURE — DO NOT EXCEED	3,500 psi @ 33 gpm
MAX FLOW — DO NOT EXCEED	61 gpm @ 1,800 psi
MAX HP	67
PRESSURE RELIEF VALVE	Included
STANDARD OUTPUT SHAFT	4" Hex

OUTPUT SPEED		OUTPUT TORQUE	
GPM	RPM	PSI	FT-LBS
26	11	1,500	10,506
30	13	1,700	11,907
34	15	1,900	13,308
38	17	2,100	14,709
42	18	2,300	16,109
46	20	2,500	17,510
50	22	2,700	18,911
54	24	2,900	20,312
58	25	3,200	21,713
60	26	3,300	23,113
-	-	3,500	24,514
