

BACKHOE
MINI

The **Blue Diamond®Backhoe Attachment** delivers compact hydraulic digging power for trenching, landscaping, drainage installation, and small excavation projects. Available with 42” and 48” arm lengths and 8”, 10”, or 12” bucket options, this heavy-duty backhoe provides versatility for contractors and property maintenance professionals. An engineered bucket pivot linkage and powerful hydraulic cylinder deliver excellent bucket rotation and breakout force, while greaseable pivot points simplify maintenance. Its lightweight design and available mounting configurations make it a practical solution for compatible mini skid steers working in confined spaces.
