

PUSH BROOM

LIGHT DUTY

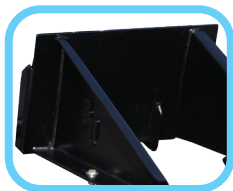

The **Blue Diamond® Light Duty Push Broom** is an economical solution for sweeping. Available in a 48" width, the Light Duty Push Broom is a great fit for mini skid steers, excavators, and forklifts. It features 5 rows of replaceable polypropylene bristles, steel construction, and requires no auxiliary hydraulics.

Designed for construction, municipal, industrial, and property maintenance applications, the Light Duty Push Broom delivers dependable year-round performance while minimizing maintenance costs.
