

PUSH BROOM

HEAVY AND LIGHT DUTY - MINI

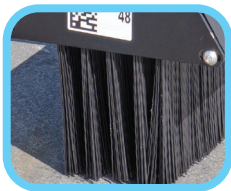

The **Blue Diamond® Mini Skid Steer Push Broom** is a durable, low-maintenance sweeping attachment designed for compact utility loaders and mini skid steers. Available in 60-, 72-, and 96-inch widths, it features 11 rows of replaceable polypropylene bristles that efficiently sweep dirt, mulch, gravel, leaves, standing water, and light snow while producing significantly less dust and flying debris than rotary brooms.

Built with an industrial-strength steel frame and requiring no auxiliary hydraulics, the Mini Skid Steer Push Broom is ideal for landscaping, residential construction, property maintenance, municipalities, and rental fleets. Its compact design allows operators to efficiently clean sidewalks, driveways, patios, and confined work areas while maximizing the versatility of their mini skid steer.

KEY FEATURES

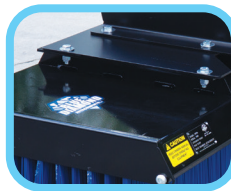

- ◆ Available in 60", 72", and 96" working widths
- ◆ Light Duty model available with 48" working width
- ◆ Designed specifically for mini skid steers and compact utility loaders
- ◆ 11 rows of replaceable polypropylene brush sections
