

BRUSH CUTTER

EXTREME DUTY CLOSED FRONT

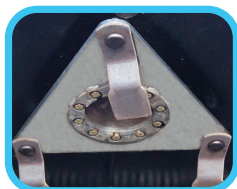

The **Blue Diamond® Extreme Duty Closed Front Brush Cutter** combines aggressive cutting power with superior material control for professional land clearing and vegetation management. Available in 60-inch and 72-inch models, it cuts grass, heavy brush, and trees up to 6–8 inches in diameter while offering four hydraulic configurations to match skid steers and compact track loaders from 15 to 45 GPM.

Built with a 3½-inch forged one-piece spindle, oil-filled direct-drive system, front and rear chain guards, and a fully enclosed motor compartment, the Extreme Duty Closed Front Series delivers exceptional durability, a cleaner cut, and reliable performance. With no case drain required and the closed front design, it's an ideal solution for rental companies, contractors, municipalities and land management professionals.

Reinforced steel deck that stands up to a heavy workload

60" unit features three double-sided blades on a 3/4" blade carrier

72" unit features four double-sided blades on a 3/4" blade carrier

KEY FEATURES

- ◆ Available in 60" and 72" cutting widths
- ◆ 6" to 8" cutting capacity
- ◆ 4 Motor options - 100 CC, 160 CC, 200 CC, & 250 CC
- ◆ 60" model features three double-sided blades on a 3/4" thick blade carrier
- ◆ 72" model features four double-sided blades on a 3/4" thick blade carrier
- ◆ 3.5" forged one piece spindle is the toughest in the industry
- ◆ Bi-directional cutting allows for control of the discharge angle and extends blade life
- ◆ Oil-filled direct drive improves bearing life and protects against seal damage
- ◆ External cross-port reliefs protect motor versus internal relief valves
- ◆ Front and rear chain guards are standard
- ◆ Fully enclosed motor compartment keeps out the debris and reduces overheating
- ◆ No rear roller to bounce off stumps or pull cut debris along
- ◆ Available in low or high flow - No case drain needed
- ◆ Safety windshield required for operator protection
- ◆ Host machine specs: Max HP - 110, GPM - 45, PSI - 4,000
