BRUSH CUTTER

EXTREME DUTY OPEN FRONT

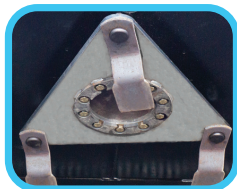

The **Blue Diamond® Extreme Duty Open Front Brush Cutter** delivers unmatched versatility for professional land clearing and vegetation management. Available in 60-inch and 72-inch models, this heavy-duty cutter handles everything from grass to trees up to 6–8 inches in diameter while offering four hydraulic motor options to match skid steers and compact track loaders ranging from 15 to 45 GPM.

Built with a 3½-inch forged one-piece spindle, direct-drive system, bi-directional cutting, and a fully enclosed motor compartment, the Extreme Duty Series is engineered for maximum durability and productivity. Whether you need the maneuverability of the 60-inch model or the higher productivity of the 72-inch model, Blue Diamond offers a configuration designed to maximize the performance of your machine.

Reinforced steel deck provides strength and durability

60" unit features three double-sided blades on a 3/4" blade carrier

72" unit features four double-sided blades on a 3/4" blade carrier

KEY FEATURES

- ◆ Available in 60" and 72" cutting widths
- ◆ 6" to 8" cutting capacity
- ◆ 4 motor options - 100 CC, 160 CC, 200 CC, & 250 CC
- ◆ 60" model features three double-sided blades on a 3/4" thick blade carrier
- ◆ 72" model features four double-sided blades on a 3/4" thick blade carrier
- ◆ 3.5" forged one piece spindle is the toughest in the industry
- ◆ Bi-directional cutting allows for control of the discharge angle and extends blade life
- ◆ Protected and enclosed main seal on the direct drive
- ◆ External cross-port reliefs protect motor versus internal relief valves
- ◆ Fully enclosed motor compartment keeps out the debris and reduces overheating
- ◆ No rear roller to bounce off stumps or pull cut debris along
- ◆ Open design allows smoother operation
- ◆ Available in low or high flow - No case drain needed
- ◆ Safety windshield required for operator protection
- ◆ Host machine specs: Max HP - 110, GPM - 45, PSI - 4,000
