

# BRUSH CUTTER SEVERE DUTY SERIES 2

The **Blue Diamond® Severe Duty Series 2 Brush Cutter** delivers extreme cutting power and performance for skid steers. Featuring a high-torque piston motor, 10" cutting capacity, and a 1" thick serrated blade carrier, this attachment tackles brush, trees, and grass with ease. Built-in pressure gauge and debris covers improve efficiency, safety, and durability—making it the top choice for professional land clearing.

No slip tread for easier cab access

Four-link rear chain curtains protect operator from flying debris

Pressure gauge helps prevent excessive stalling and overheating

## KEY FEATURES
