

ROCK BUCKET

STANDARD AND EXTREME DUTY

The **Blue Diamond® Rock Buckets** is engineered for contractors, landscapers, and land management professionals who need a heavy-duty rock bucket for skid steers and compact track loaders. Available in Standard Duty and Extreme Duty models, these rock buckets are built to handle today's larger, high-horsepower machines while delivering outstanding performance for sifting, sorting, and light clearing applications.

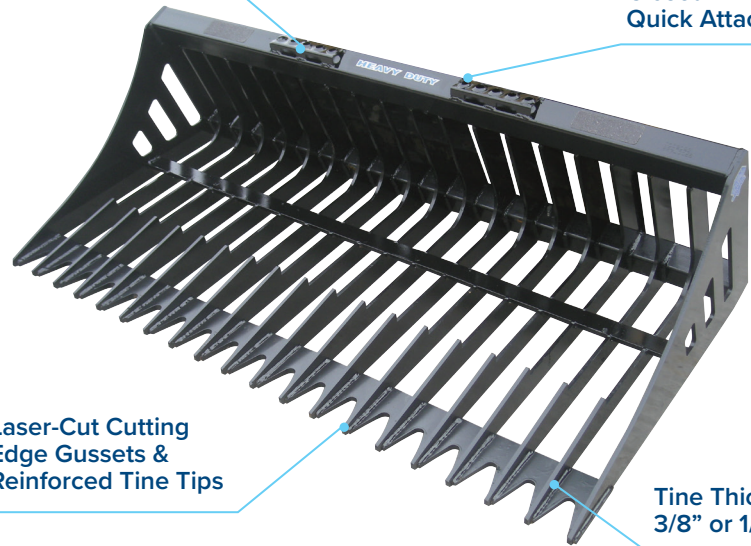

With rugged tine construction, operator-protective design, and multiple width options, Blue Diamond Rock Buckets are among the strongest rock buckets on the market.

Treaded Step for Safe Machine Access

Closed-in Quick Attach

Laser-Cut Cutting Edge Gussets & Reinforced Tine Tips

Tine Thickness 3/8" or 1/2"

KEY FEATURES
