

1 YARD BUCKET SNOW & MULCH

The narrow one yard buckets were designed to allow landscape supply yards to load short bed pickups and smaller trailers without spilling anything on the ground or damaging customers equipment. This popular bucket comes in 2 widths, 48" and 60" and a bolt-on-edge can be added to extend the usable lifespan.

60" Bucket

48" Bucket

FEATURES INCLUDE

- 3/16" or 1/4" metal wrap
- Gusseted back and floor for high reinforcement
- Cutting edge with pre-drilled bolt on cutting edge holes
- Made In The USA
- 1 year warranty
- Can mounted on a skid steer and a mini skid
