

DISC MULCHER

The Blue Diamond® Disc Mulcher for skid is a powerhouse attachment built for forestry, land clearing, and vegetation management. Engineered for skid steers and compact track loaders, it features a reinforced deck, heavy-duty disc design, replaceable chipping or carbide teeth, and standard and high flow motor options. Available in 44" and 60" discs, these mulchers combine extreme cutting power with long-lasting durability — perfect for clearing brush, trees, and stumps with unmatched efficiency.
