

DISC MULCHER

The Blue Diamond® Disc Mulcher for skid steers and compact track loaders is one of the most aggressive and heavy-duty land clearing attachments on the market. Designed and engineered to meet the demanding needs of landscaping and forestry professionals. It is constructed with the highest quality materials to ensure a long-lasting product. It is available in 3 different models and has chipping teeth that can rotate 4 times to lengthen their useable life before needing to be sharpened. This disc mulcher's powerful 100 or 150 CC motors will accommodate machines with 20-45 GPM flow rates.
