

# EXCAVATOR DRUM MULCHER

## HEAVY DUTY

The Blue Diamond® Heavy Duty Excavator Drum Mulcher is one of the fastest ways to tear down a forest. Turn trees to wood chips in minutes using our durable drum mulcher built with high strength steel.

No job is too big or small with cutting widths up to 50 inches. All our drum rotors have fixed teeth set in helical position with “p-cut” depth limiters. Choose the reversible carbide teeth option for maximum tooth lifespan when working in rocky areas! And with centralized grease points and hydraulic quick couplers, you can trust that routine maintenance is straightforward and easy.

The Heavy Duty model comes with a double row of chains to keep material flowing and shield the operator from thrown debris.

### FEATURES INCLUDE

- Available in 30” to 50” cutting widths
- Chain curtain minimizes discharge
- 4” diameter cutting capacity
- Flow capacity is 11-35 GPM
- Required pressure 2,600-4,000 PSI
- Brush rake and hose protection cover options available
- Requires case drain

PART NUMBER	MODEL	MOTOR SIZE	REQUIRED FLOW	WEIGHT*
190510	30” HD Excavator Drum Mulcher, fits 9K-13K machines	26-45cc	11-24 GPM	815 lbs
