

DRUM MULCHER

SEVERE DUTY

The Blue Diamond® Severe Duty Skid Steer Drum Mulcher delivers professional forestry performance for high-flow skid steers and compact track loaders. Available in 60-inch, 70-inch, and 79-inch drum widths, it features an innovative bite control drum, premium Danfoss® two-speed hydraulic motor, and compatibility with both open- and closed-loop hydraulic systems to efficiently process standing timber, heavy brush, and dense vegetation.

Constructed from rugged 3/8-inch STRENX™ performance steel and available with either four-sided high-speed chipping teeth or carbide teeth, the Severe Duty Drum Mulcher combines exceptional durability with low-maintenance operation. Heavy-duty drum bearings, a synchronous belt drive, replaceable skid shoes, and premium hydraulic protection make it the ideal solution for professional land clearing, forestry, right-of-way maintenance, and vegetation management.

Adjustable Push Bar

3/8" STRENX Steel

Rear Chain Guard

Replaceable Skid Shoes

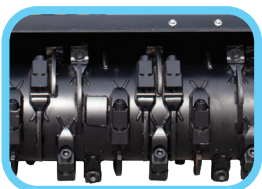

Fixed Teeth w/ Bite Limiters

Grease ports

Manual or hydraulic gate

Teeth with bite limiters

KEY FEATURES

- ◆ Available in 60", 70", and 79" drum widths
- ◆ Innovative bite control drum maximizes cutting efficiency
- ◆ Premium Danfoss® two-speed hydraulic motor
- ◆ Compatible with closed-loop or open-loop hydraulic systems
- ◆ Hydraulic motor case overpressure protection (COP)
- ◆ Available with four-sided high-speed chipping teeth or single-sided carbide teeth
- ◆ Low-profile tooth anvil with secondary edge guard
- ◆ Single-bolt tooth fastening
- ◆ Heavy-duty synchronous belt drive
- ◆ Oversized drum bearings for long service life
- ◆ Hydraulic door compatible with optional universal wiring harness
- ◆ Case drain required
- ◆ Universal skid steer mount
