

DRUM MULCHER

SEVERE DUTY

The Blue Diamond® Severe Duty Skid Steer Drum Mulcher is designed for clearing brush and heavy mulching with skid steers and compact track loaders. Our mulchers feature a 34-tooth bite control cutting drum, allowing the operator to control the depth of cut and keep the rotor working efficiently.

The 2-speed motor provides smooth, efficient performance and can be configured for a closed or open loop hydraulic system. From clearing acres of dense trees to site prep, no job is too big or small for your skid steer with this attachment.

Adjustable Push Bar

3/8" STRENGTH Steel

Rear Chain Guard

Replaceable Skid Shoes

Fixed Teeth w/ Bite Limiters

APPLICATIONS INCLUDE:

- Land Clearing
- Vegetation Management
- Right-of-way Maintenance
- Agricultural Property Upkeep
- Stump Removal
