

# FLAIL MOWER

## HEAVY & STANDARD DUTY

The Blue Diamond® line of PTO flail mowers is built for 35–100 HP tractors with Category 1 or 2 hitches and offer cutting widths from 69” to 98” to suit a wide range of applications. Designed for durability and precision, standard features include hydraulic side shift, rear rollers and rakes, and forged hammer blades. Its rugged gearbox and electronically balanced rotor ensure smooth, reliable performance in demanding conditions. Ideal for mowing thick grass, roadside shoulders, orchards, pastures, and light brush up to 3”.
