

GRAPPLE FORK MINI

The **Blue Diamond® Mini Grapple Fork** combines pallet forks and a hydraulic grapple into one versatile attachment for securely handling pallets, logs, brush, pipes, lumber, and other irregular materials. Available with 36" or 42" Class II tines, it features a 3,000-pound lifting capacity, a heavy-duty 3,000 PSI hydraulic cylinder, and a reinforced grapple for dependable performance.

Designed for mini skid steers and compact tool carriers, the Mini Fork Grapple includes hydraulic hoses, flat-face couplers, and Mini Universal or Bobcat MT mounting options for quick installation. Greaseable pivot pins, locking non-floating tines, and rugged construction make it ideal for construction, landscaping, agriculture, nurseries, and rental fleet applications.
