

MAT GRAPPLE FORK

HEAVY DUTY

The **Blue Diamond® Heavy Duty Mat Grapple Fork** is designed to securely handle equipment mats, crane mats, pipe, logs, pallets, and other oversized materials. Featuring a **4,000-pound lifting capacity**, fixed fork spacing, a toothed 48-inch hydraulic grapple, and adjustable cylinder mounting, it provides superior load control while reducing material movement during transport.

Built with reinforced steel construction, greaseable pivots, protected hydraulics, and a universal skid steer mount, the Heavy Duty Mat Grapple Fork delivers dependable performance for construction, utility, pipeline, forestry, and agricultural applications.

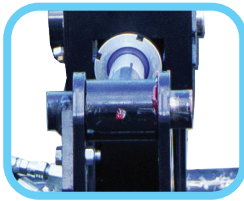

APPLICATIONS & BENEFITS:

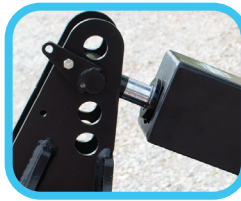

- Efficiently handle equipment mats, pallets, logs, and pipes
- Secure materials with gripping teeth and adjustable top clamp
- Adjustable cylinder mount allows customized opening width
- Durable construction ensures long-lasting performance on skid steers

18" wide serrated tooth clamp for added grip

Greaseable pivot points

4-position top clamp

KEY FEATURES

- ◆ 4,000 lb lifting capacity
- ◆ Designed for host machines up to 75 HP
- ◆ Recommended hydraulic flow: 6–16 GPM
- ◆ Compatible with Class II pallet fork tines
- ◆ Multiple fork tine lengths: 48", 60", and 72"
- ◆ Heavy-duty 48-inch toothed hydraulic grapple
- ◆ Reinforced 1/2-inch steel grapple side plates
- ◆ 18" wide serrated tooth clamp improves grip on mats and irregular materials
- ◆ Adjustable four-position cylinder mounting for varying material thicknesses
- ◆ Fixed fork spacing for maximum strength
- ◆ Protected hydraulic cylinder cover
- ◆ Greaseable pivot points
- ◆ Includes hydraulic hoses and flat-face couplers with protective sleeve
- ◆ Universal skid steer mount
