

HAY SPEARS

SINGLE, DOUBLE-BOTTOM, & QUAD-BOTTOM

The **Blue Diamond® Hay Spear** lineup delivers a strong, compact solution for efficiently moving round and large square bales. Available in single, double-bottom, and quad-bottom configurations, the lineup gives farmers, ranchers, and agricultural operators the flexibility to match the attachment to the bale, machine, and job.

At the heart of every Blue Diamond Hay Spear are high-quality German-made spear tines rated for 3,500 lbs each. Heavy-duty frames, replaceable stabilizers, durable powder-coat finishes, and multiple mounting options make these attachments ready for dependable service season after season.

KEY FEATURES

- ◆ **Single, Double & Quad Configurations** — Options for round and large square bale handling
- ◆ **3,500 lb Rated Spear Tines** — German-made tines built for strength and durability
- ◆ **Multiple Spear Lengths & Widths** — Choose the size that best fits your machine and application
- ◆ **Replaceable Stabilizers** — Serviceable components help extend attachment life
- ◆ **Heavy-Duty Steel Construction** — Built for dependable everyday use on farms and ranches
- ◆ **Optional Bolt-On Back Rack** — Adds support for larger loads and bale handling
- ◆ **Universal skid steer and Euro-Ag/Global mounts** available
- ◆ **1-year attachment warranty and 2-year warranty on spear tines**
