

PALLET FORKS

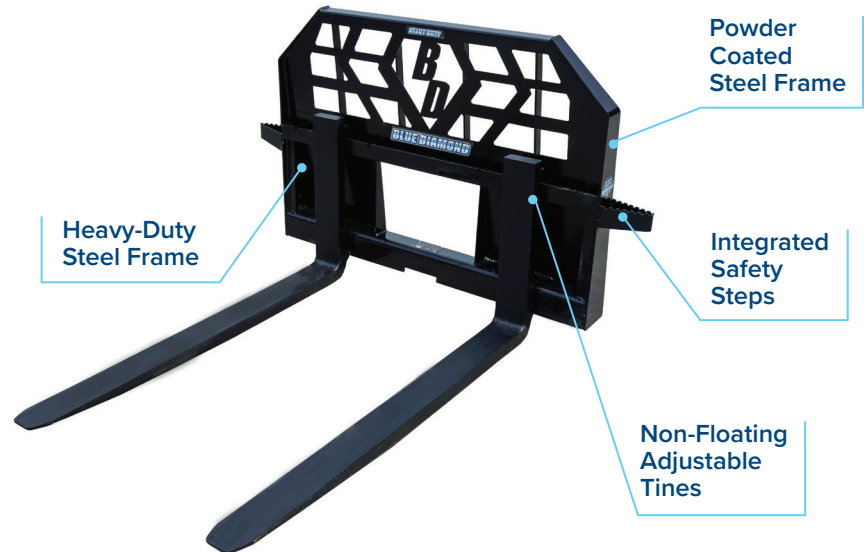

5,000 LB CAPACITY - HEAVY DUTY

Blue Diamond® 5,000 lb Capacity Pallet Forks deliver the strength and durability needed for demanding material handling applications.

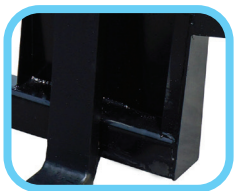

Rated for a 5,000 lb. lift capacity, these forks feature a reinforced brick guard and heavy-duty quick attach area for added durability during daily use. The open-frame design provides excellent visibility from the cab, while integrated side steps improve access.

Class 2 tines are available in 48", 60", and 72" lengths, providing flexible options for larger skid steers and a wide range of lifting and handling tasks.
