

HYDRAULIC PALLET FORKS

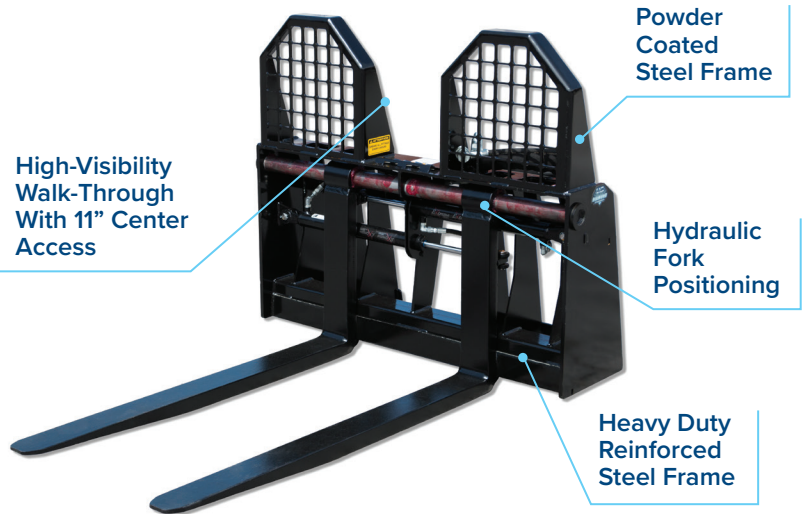

6,000 LB CAPACITY - SEVERE DUTY

The **Blue Diamond® 6,000 lb Capacity Hydraulic Pallet Forks** deliver heavy-duty material-handling performance with the convenience of in-cab hydraulic fork adjustment.

Constructed from Grade 50 steel with a reinforced high-visibility walk-through frame, dual hydraulic cylinders, and fully heat-treated Class II tines, these forks are built for demanding skid steer and compact track loader applications.

Available with 48", 60", or 72" tines and supplied with Parker hoses and flat-faced couplers.

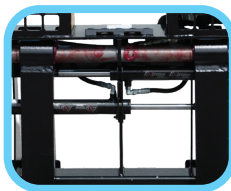

Universal Quick-Attach

Heavy-duty steel powder coated frame

11" center access walk-through frame

Dual 16" stroke cylinders

KEY FEATURES
