

MINI PALLET FORKS

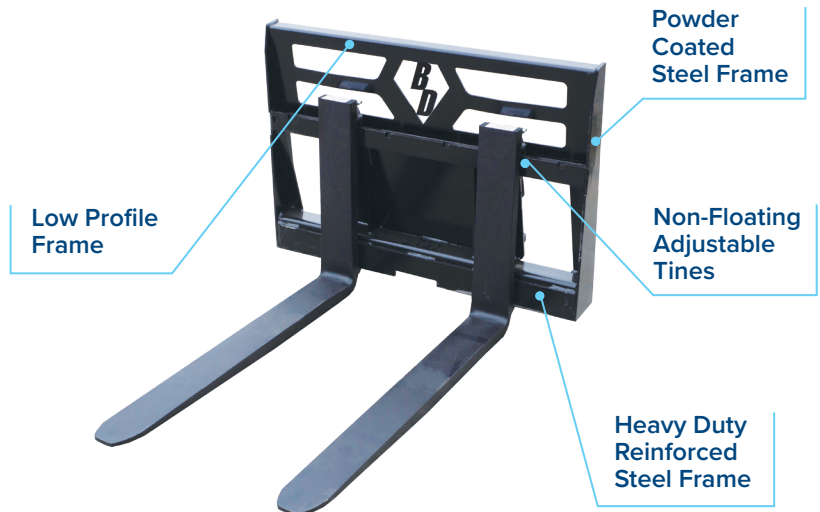

LOW PROFILE

The **Blue Diamond® Low Profile Pallet Forks** for mini skid steers are built just like our larger frame but offer more visibility and clearance where needed.

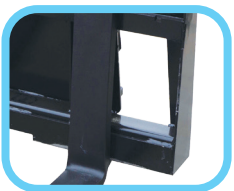

Designed for mini skid steers and mini track loaders, these forks provide the strength of a full-size attachment in a compact, easy-to-handle design. Class 2 tines are available in 36", 42", and 48" lengths.

Whether you're moving pallets, materials, or supplies, these forks deliver dependable performance in tight spaces and demanding environments.
