

PALLET FORK WALK-THROUGH

Blue Diamond® Heavy Duty Skid Steer Pallet Forks are rated for 5,000 lbs. lift. Using an easy-to-see-through frame, the heavy duty pallet forks give added lift capacity for larger skid steers. The reinforced brick guard and quick attach area make it extremely durable for material handling. 48", 60" and 72" tines are available. The powder-coated frames feature a riveted on serial tag that has the lift capacities in pounds and kilograms to meet job site requirements for lifting attachments.
