

ROCK BUCKET GRAPPLE

HDX

The **Blue Diamond® HDX Rock Bucket Grapple** is engineered for skid steers and compact loaders up to 75 horsepower. The 72" Grapple offers dual top clamps with a maximum opening of 33 inches. Positioned between our Heavy Duty and Severe Duty models, the HDX series bridges the gap with enhanced performance and durability. Constructed from 1/2-inch steel, these grapples feature dual top clamps, fully welded cylinders and upgraded cylinder protection for increased reliability.

The Blue Diamond® HDX Series includes the HDX Root Grapple and Grapple Bucket, designed to enhance versatility when handling materials and clearing debris.
