

# ROOT GRAPPLE

## LIGHT DUTY SINGLE CLAMP

The **Blue Diamond® Light Duty Root Grapple** with a single clamp is purpose-built for mini skid steers and small sub-compact tractors with limited lift capacities. Weighing only 350 lbs. and measuring 48" wide, this attachment is ideal for machines up to 40 HP or with lift capacities up to 1,500 lbs. and gives operators the ability to handle brush, roots, and debris efficiently—without overloading or tipping the machine. Engineered with 3/8" one-piece steel tines and a 3" x 3" square top frame, this grapple offers exceptional durability while maintaining a lightweight profile. Greaseable pivot pins and protected cylinders ensure smooth operation and long service life.
