

STUMP GRINDER
EXTREME DUTY

The **Blue Diamond® Extreme Duty Stump Grinder** delivers maximum torque, fast cutting performance, and excellent operator visibility in a compact design. Powered by a high-torque radial piston motor, it grinds stumps in both forward and reverse for increased productivity and efficiency.

The Blue Diamond® Extreme Duty Stump Grinder is built for fast stump removal with skid steers and compact track loaders from 16 to 45 GPM. Choose a 24” standard-flow or 26” high-flow grinding wheel powered by a high-torque radial piston motor. Dual-sided carbide teeth grind forward or reverse, while the integrated cushioning system helps protect the wheel from overload.

FLOW RANGE	16-20 GPM	20-25 GPM	25-29 GPM	29-33 GPM	33-39 GPM	39-45 GPM
MOTOR	60 CC	75 CC	90 CC	130 CC	150 CC	170 CC
TEETH	24	24	24	30	30	30
WEIGHT	745 LBS	745 LBS	745 LBS	790 LBS	790 LBS	790 LBS

KEY FEATURES

- **Cutting widths: 24” (609 mm) or 26” (660 mm)**
- **Flow range low/high: 16–45 GPM**
- **High-torque radial piston motor with 3 low-flow and 3 high-flow options**
- **Heavy-duty 1” (25 mm) thick grinding wheel cuts 12” below ground level**
- **No electrical hookups required**
- **Dual-direction cutting with Greenteeth® carbide teeth on both sides**
- **Teeth rotate 180° for extended cutting life**
- **Integrated cushioning device protects wheel from overload**
- **Compact profile for excellent visibility**
- **Minimum ½” thick polycarbonate operator protection required**
- **Requires case drain line**
- **Universal Skid Steer mount**
